- a change or interruption in our services;
- your instructions do not comply with the standards or rules of the Canadian Payments Association.

Legal representatives:

You agree that the Credit Union may accept and act according to the instructions of a legal representative demonstrating legal authority to act on your behalf where such authority may include by way of power of attorney or notarized copy of a will.

If you owe any money to the Credit Union which is due but unpaid, whether it is owed alone or with others, you authorize the Credit Union, without prior notice, to apply any credit balance in any Account, or any other amount the Credit Union owes to you howsoever that debt is noted, towards the unpaid amount. For this purpose you authorize the Credit Union to transfer funds from one Account to another (including any Joint Account that you can operate individually), to use funds in one currency to buy another currency and to break any term deposit. Verification may take place at a date later than the date you authorized the deposit, which may affect the deposit date. We have the option to send any negotiable item on collection rather than hold the proceeds.

Adjustments:

The Credit Union may adjust a deposit to an Account at any time (even if the adjustment creates an overdraft or results in an Account being overdrawn in excess of your Overdraft Protection limit) if an Instrument is dishonoured, not paid or paid but subsequently returned for any reason whatsoever. The Credit Union may also adjust an Account to correct amounts credited to an Account by mistake or that we suspect could be the result of any fraudulent, unlawful or improper activity or to correct amounts paid to you in cash for an item that was subsequently returned to us as unpaid. You waive presentment for payment, notice of dishonour, protest and notice of protest on all Instruments requiring such action.

Stopping Payment:

When you wish to stop a cheque or other payment you must notify the Credit Union, which will advise you of any further requirements. The Credit Union will use its best efforts to honour your stop payment request; however, we cannot stop payment if the amount has already been deducted from your Account. If the

stop payment is not made, you are responsible for the full amount of the payment and the Credit Union is not liable to you.

The Credit Union may, on 30 days prior notice to you, change any of our fees and charges. If you use your Account or services after the change in the fees and charges, you are deemed to have agreed and consented to the change. Current fees and charges for the Account may be obtained by contacting the Credit Union.

You will pay the fees and charges imposed by a Third Party. You acknowledge that a Third Party, including but not limited to internet service providers, mobile phone companies, wireless carriers and other financial institutions may also charge fees for their services that you may use to access the Account and conduct transactions at the Credit Union. - not negligently or recklessly disclose your Password or PIN;
- notify the Credit Union immediately if you become aware that your Password or PIN has become known to someone else; and
- ensure authorized signatories and limited users who are able to access your Account by Password or PIN keep their Password or PIN secure as set out above.

9. THE CREDIT UNION'S POSITION

Instructions:

Subject to complying with its duty to exercise reasonable care and skill but otherwise irrespective of anything else stated in these Terms, the Credit Union:

- may decline to act or delay acting on any instructions given where it considers that it has good reason to do so; and
- may, where your Account can be accessed by telephone or by any electronic means, assume that any telephone or electronic instructions received using your Password or PIN are authorized by you.

The Credit Union will not be liable for:

- any claim that arises from acting reasonably in accordance with these Terms;

- any loss suffered by you or any third party due to matters outside the Credit Union's control (including, without limitation, machine failure, system failure, third party service failure or strikes);
- the loss or destruction of, or delay in processing, cheques or other instructions or documents;
- any delay in transferring funds to or from your Account except for interest for the period of the delay; and
- either refusing to act on contradictory instructions given in respect of any Account or for acting on any one only of such contradictory instructions.

10. TERMS AND CONDITIONS SPECIFIC TO JOINT ACCOUNTS

Specific Term:

The additional specific terms and conditions in this clause 10 apply to each Account held jointly.

Deposits:

Where you are a party to a Joint Account and the Credit Union receives a deposit (whether by cheque, draft, bill of exchange or other Instrument or payment authority) in your favour, the Credit Union may credit it to your Joint Account, unless instructed in writing to pay it into a separate Account in your name.

Operating Joint Accounts:

Any one joint account holder can operate and instruct the Credit Union to act in respect of the Joint Account separately, unless all account holders have given the Credit Union written instructions to the contrary. This means, without limiting the generality of the foregoing, that any one of the joint account holders may withdraw all of the money credited to the Joint Account or incur maximum debt allowed against the Account. The Credit Union may in its discretion require all joint account holders to sign any instructions or other documents.

Survivorship:

If any joint account holder dies; the remaining account holder(s) automatically become(s) the holder(s) of all funds in the Joint Account and have full authority to operate the Account. The Credit Union will treat any credit balance in the Joint Account as payable and belonging to the surviving joint account holder(s) and the Credit Union will incur no liability in paying or delivering such funds to such person(s).

Joint and Several Liability:

Each joint account holder is jointly and severally liable for the obligations of each joint account holder under these Terms and the whole of the amount owing to the Credit Union in respect of a Joint Account and for any losses, damages suffered by the Credit Union or claims, demands, or actions against the Credit Union in respect of the operation and use of the Joint Account. This means, without limiting the generality of the foregoing, that the Credit Union can require each joint account holder to pay either a part or all of such amount. If you or the other joint account holder(s) die, any liability to the Credit Union will not be discharged as a result of that death. Notice given to one joint account holder is deemed to be sufficient notice to all joint account holders.

Joint Account Information:

If the Account is a Joint Account, each account holder acknowledges and agrees that any joint account holder is entitled to access all previous Account history.

Suspension or closure of joint Account:

The Credit Union may suspend the operation of or close a Joint Account without prior notice if:

- there is any dispute between any of the joint account holders and this has not been resolved to the Credit Union's satisfaction;
- one joint account holder attempts to exit from or notifies the Credit Union of his or her intention to exit from the Joint Account;
- the Credit Union learns that any joint account holder has committed an act of bankruptcy or been declared bankrupt or that a petition has been presented to declare any joint account holder bankrupt;
- any joint account holder purports to assign or dispose of his or her interest in the Joint Account; or
- an account holder, who is under the age of majority, intends or requests the withdrawal of all or substantially all of the funds in the Joint Account without the prior consent of the joint account holders who are the age majority or older.

Continuing and Limited Liability:

Each joint account holder will continue to be jointly and severally liable for any outstanding debt or obligations on the Account up and until the date of suspension or closure of the Account and such debt or obligation will continue until it has been satisfied; and the Credit Union will not be liable to any joint account holder for any consequences of the suspension or closure of the Joint Account and the Credit Union will also not be liable to any joint account holder if it does not suspend or close a Joint Account when it could have done so.

Joint security:

When jointly owned assets are provided as security for borrowing, independent legal advice may be required regarding individual liability for debts incurred now and in the future and the implications of this for the assets given as joint security.

Closure of Joint Accounts:

Unless you have specified that two or more signatories are required to operate your Joint Account, your Joint Account may be closed by any one of you so instructing the Credit Union. In such a case, the Credit Union will not be liable to the other joint account holder(s) for any consequences arising from the closure. Notwithstanding the foregoing, if a joint account holder, which includes a person under the age of majority, requests that the Credit Union remove another joint account holder from the Account, the Credit Union shall have the sole discretion to refuse the request except with the consent of all the joint account holders.

11. TERMS AND CONDITIONS SPECIFIC TO ESTATE AND TRUST ACCOUNTS

Terms:

The additional specific terms and conditions in this clause 11 apply to each Estate Account or Trust Account.

Warranty:

There is an implied warranty that all trustees, executors and administrators have authorized the Account to be opened and operated in accord with these Terms, the Agreement and all terms and conditions applicable to the Account and that such opening and operation of the Account comply with the relevant provisions of the trust deed, will or other authority

Accession:

Every trustee/executor/administrator as at the date on which the Account is

opened, and every person who is thereafter appointed as such, agrees or on being appointed will be deemed to agree to be bound by these Terms and the Agreement.

Liability:

All trustees of any trust or all executors or administrators of any estate holding an Account shall have joint and individual liability to the Credit Union for any amount owing and for the performance of all obligations imposed under these Terms or the general law in relation to the Account.

Operating Trust Accounts:

The authorized signatories and limited users operating in accordance with these Terms and the Agreement may conduct an Estate Account or Trust Account as fully and freely as all trustees, executors, administrators could if they all acted jointly. All trustees, executors, administrators to the Estate Account or Trust Account undertake to ratify and confirm all transactions undertaken in conformity with these instructions. If the Credit Union receives contradictory instructions from any persons authorized to operate a Trust Account the Credit Union may refuse to act on any or all such instructions or may act on any one of such contradictory instructions.

Changes in trust or estate:

The Credit Union must be immediately notified in writing of the resignation, replacement or appointment of any trustees, executors or administrators and ensure that any such person(s) appointed agree(s) to be bound by these Terms and the Agreement. Until released by the Credit Union in writing, the liability of a trustee, executor or administrator in respect of a Trust Account or an Estate Account shall remain.

12. TERMS AND CONDITIONS SPECIFIC TO CHEQUING ACCOUNTS

Specific Term:

The additional specific terms and conditions in this clause 12 apply to each Account with cheque access.

Cheque books:

The Credit Union may mail a cheque book to you at the most recent address noted on its records.

Instructions as to special purpose:

The Credit Union is not obliged to verify compliance with any notice or instruction to apply the proceeds of a cheque for a specific purpose or subject to any condition.

A dishonour charge may apply.

Post-dated and stale cheques:

Cheques presented before the date of the cheque or more than six months after the date of the cheque may be dishonoured.

Stopped cheques:

If you provide the Credit Union with a written request to stop payment on a cheque issued on your Account, the Credit Union will make reasonable efforts to stop payment on that cheque. It will, however, not be liable if payment on a cheque is not prevented: charges may apply.

Alteration of a cheque:

Alteration increasing the amount payable on a cheque must have the drawer's full signature next to the alteration, in accordance with these Terms and the Agreement. All other alterations must be initiated by the drawer in accordance with these Terms and the Agreement.

Debit Card/Personal Identification

Number Agreement

Purpose of the Debit Card

I will use the Debit Card only for the purpose of obtaining services as agreed upon between me and my Credit Union. On thirty days written notice, my Credit Union may add or remove the uses that are permitted. The issuance of the Debit Card does not amount to a representation or a warranty that any particular type of service is available or shall be available at any time in the future. This Agreement, and the fact that I have the use of the Debit Card, does not give me any credit privileges or any entitlement to overdraw my Account, except as provided by separate agreement with my Credit Union. All references to "Debit Card" in this Agreement include virtual Debit Card(s) registered for use with the Mobile Payment Service.

Confidentiality and Personal Identification Number (PIN) and/or Passcode

I will not select an obvious combination of digits for my PIN (e.g., address, card number, Account number, telephone number, birth date, or Social Insurance Number). I understand that my Credit Union has only disclosed the PIN to me and to no one else, and I will never, under any circumstances, disclose the PIN to any other person. I will not use my PIN as my telephone or online access code. I will not keep a written record of the PIN, unless the written record is not carried next to the Debit Card and is in a form indecipherable to others. I will always screen the entry of the PIN with my hand or body.

I must treat the Passcode used to authorize any transactions within the Mobile Payment Service with the same standard of care and confidentiality as my PIN. "Passcode" means the numerical code selected by the user to authorize certain Mobile Payment transactions.

Contactless Debit Payments (Interac Flash)

I acknowledge that my Debit Card may include Interac Flash contactless payment functionality. This contactless payment service allows me to perform a Transaction using my Debit Card without entering my PIN. I understand that this service is optional and if I do not wish to have this functionality enabled on my

Debit Card I can contact my Credit Union and request to have the functionality disabled.

Withdrawals and Deposits

Unless I have made other arrangements with my Credit Union, amounts credited to my Account as a result of deposits using the Debit Card will not be available for withdrawal until the deposits are verified and negotiable items such as cheques are honoured. Withdrawals or transfers initiated using the Debit Card will be debited to my Account at the time they are made. I will not deposit any coins, worthless, counterfeit or fraudulent items to my Account into any automated teller machine or using my Mobile Device, and will pay to my Credit Union any damages, costs or losses suffered by my Credit Union as a result of any such deposit.

Liability For Losses

Once I have requested and first used the Debit Card, except as expressly provided in this Agreement, I will be liable for all authorized and unauthorized uses of the Debit Card by any person up to my established withdrawal limit (including funds accessible through a line of credit or overdraft privilege), prior to the expiry or cancellation of the Debit Card. However, in the event of alteration of my Account balance due to technical problems, card issuer errors and system malfunctions, I will be liable only to the extent of any benefit I have received, and will be entitled to recover from the Credit Union any direct losses I may have suffered. I acknowledge that I will co-operate with my Credit Union in any investigation. I will not be held responsible for losses that occur due to circumstances beyond my control providing there was nothing that I reasonably could have done to prevent the losses. My Credit Union will not be liable to me for any action or failure to act of a Merchant or refusal by a Merchant to honour the Debit Card, whether or not such failure or refusal is the result of any error or malfunction of a device used to effect or authorize the use of the Debit Card for a Point-of-Sale transaction. I understand that I must not use my Debit Card, for any unlawful purpose, including the purchase of goods and services, prohibited by local law applicable in my jurisdiction.

Lost or Stolen Card or Mobile Device or Compromised PIN

If I become aware that the Debit Card or my Mobile Device used in conjunction with the Mobile Payment Service is lost or stolen, or that the PIN or Passcode has been made accessible to another person, I will notify my Credit Union or its agent immediately, whereupon the Debit Card will be cancelled, the Mobile Payment Service suspended or the PIN changed. The instant such notice is received or when my Credit Union is satisfied that I became the victim of fraud, theft, or coercion by trickery, force or intimidation, my liability for further use of the Debit Card or Mobile Payment Service will terminate, and I will be entitled to recover from my Credit Union any further losses suffered by me by using the Debit Card or Mobile Payment Service.

Procedures for Addressing Unauthorized Transactions and other Transaction Problems

In the event of a problem with a Debit Card transaction, or unauthorized Debit Card transaction, other than a matter related to goods or services provided by Merchants, I will report the issue promptly to my Credit Union and the Credit Union will investigate and respond to the issue on a timely basis. My Credit Union will not unreasonably restrict me from the use of any funds subject to dispute, if it is reasonably evident that I did not contribute to the problem or

unauthorized transaction. My Credit Union will respond to my report of a problem or unauthorized transaction within 10 business days and will indicate what reimbursement, if any, will be made for any loss incurred by me. Reimbursement will be made for losses from a problem or unauthorized use in this time frame if it is evident that I did not contribute knowingly to the problem or unauthorized transaction and that I took reasonable steps to protect the confidentiality of my PIN or Passcode. An extension of the 10-day limit may be necessary if my Credit Union requires me to provide a written statement or affidavit to aid its investigation.

Dispute Resolution

If I am not satisfied with my Credit Union's response, my Credit Union will provide me, upon request, with a written Account of its investigation and the reasons for its findings. If I am still not satisfied, the issue will be referred to either a Credit Union system dispute resolution service or external mediator, as agreed upon between me and my Credit Union. Neither my Credit Union nor I will have the right to start court action until 30 days have passed since the issue was first raised with my Credit Union. Any dispute related to goods or services supplied in a Point-of-Sale transaction is strictly between me and the Merchant, and I will raise no defense or claim against my Credit Union.

Service Fees

I acknowledge that I have been advised of, and will pay, the applicable service fees disclosed by my Credit Union and in effect for services available under this Agreement. New or amended fees will only become effective 30 days after publication by my Credit Union.

Foreign Currency Transaction

I acknowledge and understand that when I conduct transactions using the Debit Card or a Mobile Device in a foreign currency, my debit instruction may be processed through one or more international electronic networks that participate in the international payments system. The instruction my Credit Union receives may ask my Credit Union to pay a stipulated amount in U.S. dollars ("USD"), regardless of the original currency of my transaction. The transaction amount between my Credit Union and me will be the amount of my transaction, plus fees charged by the owner of the automated teller machine or point-of-sale system, converted into USD (or another currency) by one or more parties other than my Credit Union (each, a "Third Party"). Foreign currency conversions completed by Third Parties occur at rates that my Credit Union does not set, and which may include revenue, commissions or fees of those Third Parties. As a result, the cost of currency conversion may not be known to me or to my Credit Union or precisely determinable in advance or until the amount of the transaction is charged to my Account. More than one currency conversion may be completed by Third Parties before my transaction is processed by my Credit Union. The amount charged to my Account will be the USD value of the instruction received by my Credit Union. If the transaction is conducted on an Account denominated in Canadian dollars, the amount charged to my Account will be the amount of the USD instruction received by my Credit Union, converted to Canadian dollars at my Credit Union's sell rate for purchase of USD in effect at the time of the conversion. Currency conversions will be completed when and at rates in effect when the transaction is processed by my Credit Union, which may not be the same rate in effect when I conduct the transaction or when it is completed. Any fees or markup charged by my Credit Union in addition to the conversion rate

and fees charged by Third Parties must be disclosed by my Credit Union as per the 'Fees' section of this Agreement.

Evidence of Transactions

A paper transaction record dispensed mechanically by using the Debit Card constitutes a record of my instructions. Whether such a transaction record is issued or not, it is my responsibility to verify that the transaction has been properly executed by checking my Account activity on a regular basis. In the absence of evidence to the contrary, the records of my Credit Union are conclusive for all purposes, including litigation, in respect of any instructions given by me to my Credit Union through the use of the Debit Card; the contents of any envelope deposited by me into an automated teller machine; the making of a withdrawal, deposit or transfer through the use of the Debit Card; and any other matter or thing relating to the state of Accounts between me and my Credit Union in respect of any electronic transaction.

Scope of Agreement

This Agreement replaces any prior agreement governing the use of the Debit Card and the PIN, but does not replace or supersede any agreement or provision of any agreement relating to any loan, credit facility or the operation of any Account. This Agreement applies to any Account specified herein and, as well, to any other Account designated by me from time to time for use in connection with the Debit Card or Mobile Payment Service.

Termination of agreement

My Credit Union remains the owner of the Debit Card. It may restrict the use of the Debit Card, or may terminate this Agreement and my right to use the Debit Card, at any time without notice. I will return the Debit Card to my Credit Union or disable the Mobile Payment Service on my mobile device upon request.

Cardholder Privacy

I acknowledge that my Credit Union has policies to protect my privacy and that I may obtain those policies upon request. I hereby consent to use of my personal information by my Credit Union and its affiliates to monitor use of financial services, to detect fraud, develop needed products and services, and offer members needed services. However, if I have given or hereafter give express consent to the collection, use and further disclosure of my Personal Information by the Credit Union in a form and content that is more permissive than the consent provided herein, the other form of consent shall govern our relationship. I may withdraw my consent at any time by contacting the Credit Union's Privacy Officer

Canadian Code Of Practice For Consumer Debit Card Services

I understand that the Credit Union system endorses and supports the voluntary Canadian Code of Practice for Consumer Debit Card Services and that Credit Unions are guided by the principles of the Code in administering the operation of Debit Card services. A copy of the Code is available from my Credit Union upon request.

Interpretation and Definitions

This Agreement is intended to be interpreted in accordance with its plain English meaning. For the purposes of this Agreement, Point-of-Sale transaction means the use of the Debit Card to conduct a contact transaction with its associated PIN or a contactless transaction without the card's associated PIN or using a Mobile Device for purposes permitted by my Credit Union, including but not limited to:

a) the transfer of funds from my Account to purchase or lease goods or services

from a seller, lessor or service provider (a Merchant);

b) the transfer of funds from my Account to obtain a voucher, chit, scrip, token or other thing that may be exchanged for goods, services or money; or

I may terminate my use of the Mobile Payment Service at any time by contacting my Credit Union. My Credit Union may terminate or suspend my use of the Mobile Payment service for any reason at any time without notifying me in advance.

d) Mobile Device Security

I am prohibited from using the Mobile Payment Service on a Mobile Device that I know or suspect has had its security or integrity compromised (e.g. where the device has been "rooted" or had its security mechanisms bypassed). I will be solely liable for any losses, damages and expenses incurred as a result of my use of the Mobile Payment Service on a compromised device. I further acknowledge that I will properly maintain the security of my Mobile Device used in conjunction with the Mobile Payment Service by protecting it with a secure access code or biometric, by knowing its location at all times, and by keeping it up to date with the latest operating system software, security patches and anti-virus and anti-spyware programs.

e) Location-based Services (only applicable if Mobile App is used in conjunction with Location-based Services)

I acknowledge that the Mobile Payment Service may be used in conjunction with location based services, and agree that my Credit Union may collect, transmit, process, display, disclose, maintain or use location based data.

f) User Licensing Terms

I agree that I will not copy, modify, adapt, enhance, translate or create a derivative work of the Mobile Payment Service or any part of the Service. I will not license, sublicense, market or distribute the Mobile Payment Service, or provide any copies to a third party. I will not attempt to reverse engineer, decompile, disassemble or make error corrections to any part of the Mobile Payment Service, and I will not use any part of the Mobile Payment Service to gain access to interconnecting software applications to do the same.

g) Jurisdiction

I acknowledge that this Agreement is subject to the laws and jurisdictions as

defined by my Credit Union, irrespective of where I downloaded or enabled the Mobile Payments Service. I understand that my Credit Union may monitor and enforce compliance with these terms.

h) Warranties and Liabilities

I acknowledge and agree that:

- (a) my Credit Union does not warrant the operability or functionality of the Mobile Payment Service or that it will be available to complete a transaction;
- (b) my Credit Union does not warrant that any merchant will offer the payment method accessed through the Mobile Payment Service; and
- (c) my Credit Union does not guarantee the availability or operability of any wireless networks or of any mobile device.

I understand that I should keep my physical Debit Card with me to use in the event the Mobile Payment Service is unavailable for whatever reason.

Furthermore, I explicitly exclude my Credit Union, all partners and associated service providers from all liability whatsoever in relation to the Mobile Payments Service, and by extension their respective directors, officers and employees, including, without limitation, any liability in relation to the sale, distribution, use or the performance or non-performance of the Mobile Payments Service. I acknowledge and confirm ownership of the respective intellectual property rights by my Credit Union, its partners and associated service providers.

Receipt of Copy of agreement

I acknowledge the receipt of a true copy of this Agreement or a previous version signed by me upon initiation of the PIN based Debit Card service or Mobile Payment Service and that this Agreement does not require signature by my Credit Union. This Agreement may be amended unilaterally by my Credit Union upon thirty (30) days' notice and until the Agreement is terminated, the use or continued use of the Debit Card or Mobile Payment Service by me shall be conclusively deemed to be the acceptance of any amendments to this Agreement. I acknowledge that notice will be given to me in writing either by mail to my most recent address as shown on the Credit Union's records, by the Credit Union posting notice at its premises or on its website, by personal delivery, or by any other means the Credit Union, acting responsibly, considers appropriate to bring the change to my attention. I also agree to keep this copy of this Agreement for my own records. I understand I may obtain a copy of any changes to the Agreement or the revised Agreement from any branch of my Credit Union.

The Financial Institution may obtain, collect, use, and release confidential Depositor information as permitted or required by law or in a court proceeding or with the Depositor’s consent or as necessary to process Transactions. If the Depositor subscribes for PFM Services, special terms and conditions will also apply, as more particularly set forth in the PFM Schedule for Consent and Disclosure for PFM Service (“PFM Special Terms”)

3. USE OF SERVICES – The Depositor may use Direct Services to access any permitted Account and to authorize such Transactions as may be permitted by the Financial Institution from time to time, commencing upon the day these terms and conditions are accepted by the Depositor and the Depositor’s request for Direct Services is approved by the Financial Institution. The Depositor cannot use Direct Services to authorize Transactions on an Account that otherwise requires more than 1 authorization (i.e. with multiple signature requirements) unless prior authorization is received in writing and with the Financial Institution’s approval. The Financial Institution may, from time to time, add to or delete from the types of use permitted and Direct Services offered.

In connection with Direct Services, the Depositor agrees to provide true, accurate, current, and complete information about the Depositor, the Account, and any External Account when required by the Financial Institution. Further, the Depositor agrees to notify the Financial Institution of any changes to such information within a reasonable period of time.

4. SERVICE CHARGES AND FEES – The Depositor will pay fees incurred on the Account, including, without limitation, fees imposed by a Third Party. The Depositor will pay the service charges that the Financial Institution establishes, from time to time, for Direct Services, including, without limitation, service charges for providing records regarding the Depositor that the Financial Institution is legally required to provide. The Depositor acknowledges receipt of a schedule of the Financial Institution's charges for Direct Services in effect at the time of acceptance of this Agreement. The Financial Institution may, from time to time, increase or decrease the service charges for Direct Services and provide notice of such changes by sending a notice to the Depositor's last known Notice Contact Information, by posting notice at the Financial Institution's premises or on the Financial Institution's website, by personal delivery, or by any other means the Financial Institution, acting reasonably, considers appropriate to bring the change to the attention of the Depositor. Current service charges for Direct Services may be obtained by contacting the Financial Institution or through the Financial Institution's website. The Depositor is responsible for determining the then current service charges for Direct Services they request, in advance of requesting those services. By requesting Direct Services the Depositor acknowledges their agreement to pay service charges for the Direct Services requested by them then in effect. The Financial Institution can deduct service charges from the Account (or other accounts of the Depositor with the Financial Institution) when the service is requested or performed. New or amended service charges and fees will become effective on the earlier of the stated effective date following publication, when the service is requested or performed, or when incurred, and in any event, no later than 30 days after publication by the Financial Institution.

5. AVAILABILITY OF DIRECT SERVICES – The Depositor acknowledges that the availability of Direct Services depends on telecommunications systems, computer hardware and software, and other equipment, including equipment belonging to the Financial Institution, Central 1, and Third Parties and that there is no guarantee or obligation to provide continuous or uninterrupted service. The Financial Institution and Central 1 are not liable for any cost, loss, damage, injury, inconvenience, or delay of any nature or kind whatsoever, whether direct, indirect, special, or consequential, that the Depositor may suffer in any way arising from non-continuous or interrupted service or the Financial Institution or Central 1 providing or failing to provide Direct Services, or from the malfunction or failure of telecommunication systems, computer hardware or software, or other equipment or other technical malfunctions or disturbances for any reason whatsoever, nor are the Financial Institution or Central 1 liable for any lost, incomplete, illegible, misdirected, intercepted, or stolen messages, or failed, incomplete, garbled, or delayed transmissions, or online failures (collectively, "Interruption Claims"), even if the Depositor has advised the Financial Institution of such consequences. The Depositor releases and agrees to hold harmless the

Financial Institution and Central 1 from any and all Interruption Claims.

6. AUTHORIZATION FOR TRANSACTIONS – The Depositor acknowledges and agrees that:

- a) using the PAC to authorize a Transaction constitutes authorization of that Transaction in the same manner as if authorization was given by the Depositor in person or as otherwise contemplated or permitted by the Account Agreement;
- b) the Depositor will be bound by each such Transaction; and
- c) once the PAC has been used to authorize a Transaction, the Transaction cannot be revoked or countermanded.

The Depositor irrevocably authorizes and directs the Financial Institution to debit or credit, as the case may be, the amount of any Transaction to the Account, together with any service charges or fees, authorized using the PAC, the PIW, in person by the Depositor, or as otherwise contemplated or permitted by the Account Agreement, in accordance with the normal practices of the Financial Institution, which may be amended from time to time without notice.

7. PAC AND PIW CONFIDENTIALITY – The Financial Institution can assign and/or require the Depositor to select and use a PAC and/or PIW in connection with this Agreement. The Depositor agrees to keep the PAC and PIW confidential and will only reveal them to authorized Financial Institution agents or officers when required by the Financial Institution. The Depositor agrees not to record the PAC or PIW in any format or medium. The Depositor can change the PAC or PIW at any time. The Depositor agrees to change the PAC or PIW if and when required by the Financial Institution. The Depositor acknowledges that the PAC and/or PIW must be changed if there is a change in the persons authorized to provide Remote Instructions on the Account.

The Depositor is responsible for all use of the PAC and/or PIW and for all Transactions on the Account authorized using Direct Services.

The Depositor acknowledges that the Financial Institution may, from time to time, implement additional security measures, and the Depositor will comply with all instructions and procedures issued by the Financial Institution in respect of such security measures. The Depositor is aware of the risks of unsolicited email, telephone calls, and text message transmissions from persons purporting to be representatives of the Financial Institution. The Depositor agrees not to respond to such unsolicited communications and will only initiate communications with the Financial Institution either through the Financial Institution's Internet banking website or through the Financial Institution's published contact information as shown on the Financial Institution's website.

If the Depositor discloses the PAC to a Third Party, and if the Financial Institution becomes aware of such disclosure, the Financial Institution may, in its sole discretion, waive the confidentiality requirements described in this article 7, PAC and PIW Confidentiality, but only if such disclosure is for a reputable personal financial management service similar to that described in article 29, Personal Financial Management. Notwithstanding any such waiver, the Depositor acknowledges and agrees that the Depositor remains responsible for all use of the PAC by the Third Party.

8. REMOTE INSTRUCTIONS – The Depositor may provide Remote Instructions to any branch of the Financial Institution as permitted by the Financial Institution, online through the Direct Services web portal, or through the Financial Institution's telephone banking service, if any. The Remote Instructions may concern the Account maintained at that branch, or concern other Transactions and arrangements conducted at or with that branch.

The Financial Institution may, but will not be obliged to, act on Remote Instructions received in the name of the Depositor along with any requisite PAC and/or PIW, if any, to the same extent as if the Remote Instructions were written instructions delivered to the Financial Institution by mail and signed by the Depositor authorized to operate the Account. Any such Remote Instructions are deemed genuine.

The Financial Institution may, in its sole discretion, acting reasonably, delay acting on or refuse to act on any Remote Instruction.

A Remote Instruction is deemed received by the Financial Institution only when actually received and brought to the attention of an authorized officer of the Financial Institution capable of acting upon and implementing the Remote Instruction.

Remote Instructions can be transmitted to the Financial Institution at the telephone or fax number or email address provided by the Financial Institution, or at such other telephone or fax number or email address as the Financial Institution may advise the Depositor by notice in writing, or online through the Direct Services web portal. **Any of the persons that constitute the Depositor may act alone and provide Remote Instructions to the Financial Institution, even if 2 or more signatures are otherwise required to operate the Account.** The Financial Institution, acting reasonably, is entitled to assume that any person identifying himself or herself as the Depositor is in fact the Depositor, and can rely upon such, and the Financial Institution may act on the Remote Instructions provided by any such person. All Remote Instructions given to the Financial Institution in the name of the Depositor will bind the Depositor.

9. VERIFICATION AND ACCEPTANCE OF TRANSACTIONS BY THE FINANCIAL INSTITUTION – All Transactions are subject to verification and acceptance by the Financial Institution and, if not accepted, or if accepted but

subsequently determined to be in error or otherwise improper or unauthorized, the Financial Institution may, but is not obliged to, reverse them from the Account. Verification may take place at a date later than the date the Depositor authorized the Transaction, which may affect the Transaction date.

Notwithstanding any other provision herein, if at any time the Financial Institution, acting reasonably, ever determines that a credit made to or traced to the Account was made in error or based upon a mistake of fact, or induced through or in any way tainted by fraud or unlawful conduct, the Financial Institution may place a hold on the credit and/or reverse the credit and any applicable interest.

10. FINANCIAL INSTITUTION RECORDS – The Financial Institution's records of all Transactions will be deemed to be correct and will be conclusive and binding on the Depositor. All Transactions will appear on the regular statements of account for the Account.

If the Depositor believes or suspects that the records of the Financial Institution

contain an error or omission, or reflect unauthorized Account activity, the Depositor must give immediate written notice to the Financial Institution, and in any event, must do so within the time provided in the Account Agreement. A copy of any fax or email message or other Remote Instructions or the Financial Institution's notes of any Remote Instructions given by telephone may be entered into evidence in any court proceedings as if it were an original document signed by the Depositor. The Depositor will not object to the admission of the Financial Institution's or Central 1's records as evidence in any legal proceeding on the grounds that such records are not originals, are not in writing, are hearsay, or are documents containing information extracted from a computer, and all such records will be conclusive evidence of the Remote Instructions in the absence of documentary recorded evidence to the contrary.

In the absence of evidence to the contrary, the records of the Financial Institution are conclusive for all purposes, including litigation, in respect of any other matter or thing relating to the state of the Accounts between the Depositor and the Financial Institution in respect of any Transaction.

11. LIABILITY FOR ERRORS AND OMISSIONS – If the Financial Institution makes an error or omission in recording or processing any Transaction, the Financial Institution is only liable for the amount of the error or omission if the Depositor has not caused or contributed to the error or omission in any way, has complied with this Agreement and the Account Agreement, and has given written notice to the Financial Institution within the time provided in the Account Agreement, and to the extent the liability is not otherwise excluded by this Agreement or the Account Agreement.

If the Depositor has given such notice, the Financial Institution's maximum liability is limited to the amount of the error or omission. In no event will the Financial Institution be liable for any delay, inconvenience, cost, loss, or damage (whether direct, special, indirect, exemplary, or consequential) whatsoever caused by, or arising from, any such error or omission.

12. EXCLUSION OF FINANCIAL INSTITUTION RESPONSIBILITY – – The Financial Institution is not responsible for any loss or damage suffered or incurred by the Depositor except to the extent caused by the gross negligence or intentional or wilful misconduct of the Financial Institution, and in any such case the Financial Institution will not be liable for any indirect, special, consequential, or exemplary damages (including, but not limited to, loss of profits) regardless of the cause of action and even if the Financial Institution has been advised of the possibility of such damages. In no event will the Financial Institution be liable for any cost, loss, or damage (whether direct, indirect, special, or consequential) suffered by the Depositor that is caused by:

- a) the actions of, or any failure to act by, the Depositor, or any Third Party (and no Third Party will be considered to be acting as an agent for the Financial Institution unless expressly authorized to do so for that purpose);
- b) the inaccuracies in, or inadequacies of, any information furnished by the Depositor to the Financial Institution, including, but not limited to any failed, duplicative, or erroneous transmission of Remote Instructions;
- c) the failure by the Financial Institution to perform or fulfill any of its obligations to the Depositor, due to any cause beyond the Financial Institution's control; or
- d) forged, unauthorized, or fraudulent use of services, or forged, unauthorized, or

fraudulent instructions or Instruments, or material alteration to an instruction, including Remote Instructions.

13. RISKS AND DUTIES – Except for loss caused exclusively by the Financial Institution's gross negligence or intentional or wilful misconduct, and subject to the limitations of liability in this Agreement or the Account Agreement, the Depositor assumes all risk of loss due to the use of Direct Services, including, without limitation, the risk of Third Party fraud. The Depositor further agrees that they will notify the Financial Institution immediately:

a) of any suspected or actual misuse or unauthorized use of the PAC and/or PIW; or

b) if the PAC and/or PIW becomes known to anyone other than the Depositor; and

c) if the Depositor receives Notification of any Transaction affecting the Account that alerts the Depositor of Account activity that was not authorized by them.

The Depositor will change the PAC and/or PIW if either of the notification requirements above in a) or b) arises.

The notification requirement above in b) does not apply if the Depositor has disclosed the PAC to a Third Party for a personal financial management service similar to that described in article 29, Personal Financial Management.

The Depositor acknowledges that the Depositor is responsible for all use made of the PAC and/or PIW and that the Financial Institution is not liable for the Depositor's failure to comply with any part of this Agreement. The Depositor is liable for all authorized and unauthorized use, including all Transactions. The Depositor is also liable for all fraudulent or worthless deposits made into the Account. Without limiting the generality of the foregoing, the Depositor expressly acknowledges and agrees that they shall be bound by and liable for any use of the PAC or PIW by a member of the Depositor's household.

The Depositor is liable for all transfers to linked accounts. The Depositor bears all risk for all such Transactions.

Where the Depositor knows of facts that give rise or ought to give rise to suspicion that any Transactions, or instructions in respect of the Account, or Instruments deposited to the Account are fraudulent, unauthorized, counterfeit, or induced through or in any way tainted by fraud or unlawful conduct, or otherwise likely to be returned to the Financial Institution or found invalid for any reason, the Depositor has a duty to make reasonable inquiries of proper parties into such Transactions, instructions, or Instruments, as the case may be, to determine whether they are valid authorized Transactions, instructions, or Instruments, as the case may be, before negotiating or, alternatively, accessing any funds derived from such Transactions, instructions, or Instruments, and to disclose to the Financial Institution, the Depositor's suspicion and the facts upon which the Depositor's suspicion is based ("Suspicious Circumstances").

The Financial Institution may, in its sole discretion, investigate any Suspicious Circumstances disclosed by the Depositor, but the Financial Institution does not owe the Depositor any obligation to undertake its own investigation of Suspicious Circumstances. The Financial Institution may place a hold on all or some of the Depositor's Accounts pending investigation of any improper use of any Account. Any hold imposed by the Financial Institution pursuant to any of the terms of this Agreement, or investigation undertaken by the Financial Institution, is imposed or undertaken by the Financial Institution at the Financial Institution's sole discretion

and for the Financial Institution's sole benefit.

Release of a hold by the Financial Institution is not a confirmation that a Transaction, instruction, or Instrument is in fact good and may not be relied upon as such by the Depositor. If, to the satisfaction of the Financial Institution, any improper use is established, the Financial Institution can withdraw or suspend Direct Services and/or operation of the Account without notice.

14. RIGHTS FOR INNOCENT BREACH – Subject to the provisions of this Agreement and the Account Agreement:

a) if the Depositor did not reveal the PAC and/or PIW to any other person, other than authorized Financial Institution agents or officers when required by the Financial Institution, or write it down or otherwise record it, and changed the PAC and/or PIW when

required by this Agreement, the Depositor will not be liable for any unauthorized use that occurs after the Financial Institution has received written notice from the Depositor that the PAC and/or PIW may have become known to someone other than the Depositor. The Financial Institution will not be considered to have received written notice until the Financial Institution gives the Depositor written acknowledgement of receipt of such notice; and

b) the Financial Institution will not otherwise be liable for any damages or other liabilities that the Depositor may incur by reason of the Financial Institution acting, or failing to act, on Remote Instructions given in the name of the Depositor whether or not the Depositor actually gave the Remote Instructions. The Financial Institution will not be liable for any damages or other liabilities that the Depositor may incur by reason of the Financial Institution acting, or failing to act, on no statement requests made by the Depositor through Direct Services whether or not the Depositor actually gave the Remote Instructions.

15. PROCEDURES FOR ADDRESSING UNAUTHORIZED TRANSACTIONS AND OTHER TRANSACTION PROBLEMS – In the event of a problem with a

Direct Services Transaction or an unauthorized Direct Services Transaction, the Depositor will report the issue immediately to the Financial Institution. The Financial Institution will investigate and respond to the issue on a timely basis.

The Financial Institution will not unreasonably restrict the Depositor from the use of the Account subject to dispute, as long as it is reasonably evident that the Depositor did not cause or contribute to the problem or unauthorized Transaction, has fully cooperated with the investigation, and has complied with this Agreement and the Account Agreement. The Financial Institution will respond to reports of a problem or unauthorized Transaction within 10 business days and will, within a reasonable period of time thereafter, indicate what reimbursement, if any, will be made for any loss incurred by the Depositor. Reimbursement will be made for losses from a problem or unauthorized Transaction in this time frame provided that the Depositor has complied with this Agreement and on the balance of probabilities it is shown that the Depositor took all reasonable and required steps to:

a) protect the confidentiality of the PAC and PIW as required by this Agreement and the Account Agreement;

b) use security safeguards to protect against and detect loss, theft, and unauthorized access as required by this Agreement and the Account Agreement;

and

c) act immediately, upon receiving a Notification of, or becoming aware of, an unauthorized Transaction, to mitigate against further loss and report the issue to the Financial Institution.

16. ACCESS TERMINAL SECURITY – If Direct Services are made available through the Internet or a telephone service provider, the Depositor acknowledges that, although the Financial Institution uses security safeguards to protect against loss, theft, and unauthorized access, because of the nature of data transmission, security is not guaranteed and information is transmitted at the risk of the Depositor. The Depositor acknowledges and shall ensure that any private Access Terminal used to access Direct Services is auto-locked by a password to prevent unauthorized use of the Access Terminal, has a current anti-Contaminant program, and a firewall, and that it is his or her personal responsibility to reduce the risk of Contaminants or online attacks and to comply with this provision. The Depositor further acknowledges that to reduce the risk of unauthorized access to the Account through the Access Terminal, the Depositor will sign out of Direct Services and, where applicable, close the browser when finished using it. The Depositor further acknowledges that using public or shared computers and Access Terminals, or using Access Terminals in a public place, or through an open WiFi or shared Bluetooth portal, to access Direct Services increases the risk of unauthorized access to the Account, and will take all reasonable precautions to avoid such use or inadvertent disclosure of the PAC and/or PIW.

17. FRAUD PREVENTION AND DETECTION – The Depositor agrees to maintain appropriate security controls and procedures to prevent and detect thefts of Instruments, or losses due to fraud or forgery involving Instruments, or fraudulent or unauthorized Transactions. The Depositor further agrees to diligently supervise and monitor the conduct and work of all agents having any role in the preparation of the Depositor's Instruments, the Depositor's reconciliation of the statement of account for the Account, or other banking functions.

18. LINKS – If Direct Services are made available through the Internet, the Financial Institution's website may provide links to other websites, including those of Third Parties who may also provide services to the Depositor. The Depositor acknowledges that all those other websites and Third Party services are independent from the Financial Institution's and may be subject to separate agreements that govern their use. The Financial Institution and Central 1 have no liability for those other websites or their contents or the use of Third Party services. Links are provided for convenience only, and the Depositor assumes all risk resulting from accessing or using such other websites or Third Party services.

19. THIRD PARTY SERVICES –

The Financial Institution and Central 1 may, from time to time, make services provided by Third Parties available through Direct Services or the Financial Institution's website. The Depositor acknowledges and agrees that:

- a) the Financial Institution and Central 1 make the services of Third Parties available through Direct Services or the Financial Institution's website for the convenience of Depositors. The services are provided by the Third Party and not the Financial Institution or Central 1. The Depositor's relationship with the Third Party shall be a separate relationship, independent of the relationship between the Depositor and the Financial Institution and Central 1, and such a relationship is outside the control of the Financial Institution and Central 1;
- b) the Financial Institution and Central 1 make no representation or warranty to the Depositor with respect to any services provided by a Third Party even though those services may be accessed by the Depositor through Direct Services or the Financial Institution's website;
- c) the Depositor assumes all risks associated with accessing or using the services of Third Parties;
- d) the Financial Institution and Central 1 have no responsibility or liability to the Depositor in respect of services provided by a Third Party;
- e) any dispute that relates to services provided by a Third Party is strictly between the Depositor and the Third Party, and the Depositor will raise no defence or claim against the Financial Institution and/or Central 1; and
- f) the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act and Regulations* may apply to the services provided by Third Parties and that the Third Parties may, from time to time, adopt policies and procedures to address the reporting, record-keeping, client identification, and ongoing monitoring requirements of that legislation.

20. INDEMNITY – The Depositor agrees to indemnify and hold the Financial Institution and its service providers and Central 1 and all of their connected parties, including, without limitation, their respective agents, directors, officers, employees, affiliates, and licensees (collectively, the "Indemnified Parties") harmless from and against any and all liabilities and costs, including, without limitation, reasonable legal fees and expenses incurred by the Indemnified Parties in connection with any claim or demand arising out of or connected to the Depositor's use of Direct Services. Depositors must assist and cooperate as fully as reasonably required by the Indemnified Parties in the defence of any such claim or demand. The disclaimers, liability exclusions, liability limitations, and indemnity provisions in this Agreement survive indefinitely after the termination of this Agreement and apply to the extent permitted by law. Without limiting the foregoing, the Depositor will indemnify and save the Indemnified Parties harmless from and against all liability, costs, loss, expenses, and damages, including direct, indirect, and consequential, incurred by the Indemnified Parties as a result of:

- a) any of the Indemnified Parties making Direct Services available to the Depositor;
- b) any of the Indemnified Parties acting upon, or refusing to act upon, Remote Instructions;
- c) any of the Indemnified Parties acting upon, or refusing to act upon, no statement requests made by the Depositor through Direct Services;

d) any Transaction that results in a negative balance in the Account; or
e) the consequences of any Transaction authorized by the Depositor.
This indemnity will enure to the benefit of the Indemnified Parties and will be binding upon the Depositor and the Depositor's heirs, executors, successors, and assigns and shall survive the termination of this Agreement for any act or omission prior to termination as gives rise to an indemnified claim, even if notice is received after termination.

21. DIRECT SERVICES ACKNOWLEDGEMENT – The Depositor acknowledges and agrees that:

- a) when transfers and bill payments are authorized through Direct Services, funds are deemed irrevocably transferred out of the Account and the Transaction cannot be revoked or countermanded by the Depositor;
- b) anyone with access to the PAC and/or PIW may be able to access Direct Services and may use the PAC and/or PIW to transfer money out of an Account, set up bill payment arrangements, make bill payments, and authorize any other Transaction;
- c) the Financial Institution will not be liable in any way to the Depositor or any other person for processing or accepting on the Account any Transaction that results in the transfer of money out of the Account or in the payment of bills, even if the money is used for the benefit of a person other than the Depositor, or if bills owed by a person other than the Depositor are paid;
- d) the Depositor will be liable for all Transactions conducted using Direct Services, including Transactions that benefit a person other than the Depositor or that result in the payment of bills owed by a person other than the Depositor; and
- e) a copy of an electronic communication is admissible in legal proceedings and constitutes the same authority as would an original document in writing.

22. NO STATEMENT REQUEST AND ONGOING VERIFICATION

OBLIGATIONS – If, at the request of the Depositor, the Financial Institution agrees to cease printing and mailing statements of account for the Account to the Depositor, the Depositor acknowledges and agrees that:

- a) the Depositor will be responsible to obtain (whether from the Financial Institution or using Direct Services) and review, after the end of each calendar month, a statement of the activity in the Account, and will, by no later than the end of the following calendar month (the "Notification Date"), notify the Financial Institution of any errors, irregularities, omissions, or unauthorized Transactions of any type in that account record or in any Instrument or other items, or of any forgeries, fraudulent or unauthorized Transactions of any type, and any debits wrongly made to the Account;
- b) notwithstanding any other provision of this Agreement, after the Notification Date (except as to any errors, irregularities, omissions, or unauthorized Transactions of any type of which the Depositor has notified the Financial Institution in writing on or before the Notification Date), the Depositor agrees that:
 - i. the amount of the balances shown on the last day of the calendar month is correct and binding on the Depositor subject to the right of the Financial Institution to make reversals in accordance with this Agreement and the Account Agreement;
 - ii. all amounts charged to the Account are valid;
 - iii. the Depositor is not entitled to be credited with any amount not shown on the

statement of account for the Account for that calendar month; iv. the Depositor has verified the validity of any Instruments and instructions; and v. the use of any service shown is correct.

The Depositor acknowledges that:

vi. notwithstanding that an Instrument may be provisionally posted to the Account, it is not considered processed until it has been honoured and irrevocably collected by the Financial Institution and the time for return by any process of law has expired. The credit represented by an Instrument that is not honoured and collected, or is charged back, made in error, or tainted by fraud, may be reversed from the Account notwithstanding any provisional posting. The statement of account for the Account will be modified accordingly; and
vii. notwithstanding that a deposit or other credit may be provisionally posted to the Account, it is not considered processed until it has been verified and accepted by the Financial Institution. A deposit or other credit that is not verified and accepted may be reversed from the Account notwithstanding any provisional posting.

The statement of account for the Account will be modified accordingly.

c) Despite subsection b) above, if the Depositor has authorized PADs to be issued against any of the Accounts, the Depositor acknowledges that the Rules provide that, under specified conditions, claims for reimbursement of PADs may be made and:

i. where the purpose of the PAD was for payment of consumer goods and services, the time period for making such a claim is 90 calendar days from the date of debiting; and

ii. where the purpose of the PAD was for payment of goods and services related to commercial activities of the Depositor, the time period for making such a claim is 10 business days from the date of debiting.

Claims must be made in writing to the Financial Institution within the specified time period and in compliance with the Rules, as amended from time to time.

23. BILL PAYMENTS MADE THROUGH DIRECT SERVICES – The Depositor acknowledges and agrees that:

a) bill payments made through Direct Services are not processed immediately and that the time period for processing depends upon a number of factors, including, without limitation, the time when the bill payment is authorized and the internal accounting processes of the bill payment recipient;

b) it is the responsibility of the Depositor to ensure that bill payments are authorized in sufficient time for the payment to be received by the bill payment recipient before its due date;

c) the Financial Institution and Central 1 will not be liable for any cost, expense, loss, damage, or inconvenience of any nature or kind whatsoever arising as a result of any error, non-payment or a delay in the processing of bill payments;

d) if the Depositor has made or received a bill payment in error, the Financial Institution may, but is not obliged to, assist the Depositor by initiating or processing a "Bill Payment Error Correction Debit", as defined under the Rules, and if so initiated, the Depositor agrees to indemnify the Financial Institution for any direct loss, costs, or damages incurred, and will pay to the Financial Institution any reasonable service charges or fees related to the provision of the service; and

e) if the Financial Institution, absent gross negligence or wilful misconduct, initiates or processes a Bill Payment Error Correction Debit affecting the accounts or affairs of the Depositor, the Financial Institution shall be held harmless for any and all loss, costs, or damages suffered or incurred by the Depositor, howsoever caused, relating to the bill payment or the Bill Payment Error Correction Debit process.

24. DIRECT SERVICES AND THIRD PARTIES – In respect of all Direct Services and any Third Party services made available by the Financial Institution, the Depositor shall not:

- a) use the services for an illegal, fraudulent, or defamatory purpose; and
- b) take steps, or cause, or permit anything to be done that could undermine the security or integrity of the services (including activities that threaten to harm or cause harm to any other participant in the provision, utilization, or support of the Direct Services or Third Party services).

In the event of a breach of the provisions of a) or b), the Depositor's participation in Direct Services or any service provided by the Financial Institution or a Third Party may be suspended or terminated.

25. EDP SERVICES – If the Financial Institution through Direct Services makes EDP Services available and the Depositor uses the EDP Services:

29. PERSONAL FINANCIAL MANAGEMENT – If the Financial Institution, through Direct Services, makes the PFM Service available, the Depositor agrees that the terms and conditions in this article 29, Personal Financial Management, govern the Depositor's use of the PFM Service and are binding upon the Depositor. If there is any conflict between these PFM Service terms and

conditions and the terms and conditions in the rest of this Agreement, then these PFM Service terms and conditions will apply in respect of the PFM Service. In addition, if the Depositor subscribes for PFM Services, special terms and conditions will also apply, as more particularly set forth in the PFM Special Terms attached to and forming part of this Agreement. If there is any conflict between the PFM Special Terms and the terms and conditions in the rest of this Agreement or in respect of this Article 29, Personal Financial Management, then the PFM Special Terms will apply for the PFM Service. Further:

- a) in connection with the PFM Service, the Depositor agrees to provide true, accurate, current, and complete information about an asset and/or liability when required by the Financial Institution. Further, the Depositor agrees to notify the Financial Institution of any changes to such information within a reasonable period of time;
- b) the Depositor agrees to inform the Financial Institution, through Direct Services, of the External Account, asset, or liability they wish to link or add to the PFM Service, including the modification or removal of any linked or added External Account, asset, or liability;
- c) the Financial Institution and the PFM Service Provider each, individually, have the right, in their sole discretion, to refuse to link or add an External Account, asset, or liability to the PFM Service for any reason, including, but not limited to, inability, cost, or inconvenience of linking or adding the External Account to the PFM Service;
- d) the Financial Institution reserves the right to verify the External Account;

- f) the Depositor agrees to not link, or add, to the PFM Service an External Account, asset, or liability that is not owned by the Depositor;
- g) the Financial Institution reserves the right to limit the number of External Accounts, assets, and/or liabilities that can be linked or added to the PFM Service;
- h) the Depositor agrees that the PFM Service may, from time to time, access the External Account to ensure that the personal financial information on file is current, and to update the personal information on file if it is not, using information retrieved from the External Account. Such access will be at the discretion of the PFM Service provider and will typically occur when the Depositor accesses Direct Services, but may be more or less frequent; and
- i) the Depositor acknowledges and agrees that any information provided by the Depositor about an asset or liability that is not under an External Account or the Account, is provided at the sole discretion of the Depositor. Further, the Depositor agrees that it is the Depositor's sole responsibility to keep such information current.

30. REMOTE DEPOSITS – If the Financial Institution, through Direct Services, makes the Remote Deposit Service available and the Depositor uses the Remote Deposit Service, the Depositor acknowledges and agrees that:

- a) solely for the Remote Deposit Service, the Financial Institution appoints the Depositor as its agent, to act on behalf of the Financial Institution in the creation and transmission of an Official Image to the Financial Institution, and any other related duties that may be required by the Financial Institution, all in accordance with the Rules and applicable legislation governing Instruments. In this context,

transmission to and receipt by the Financial Institution of the Official Image will have the same effect as if the Instrument was delivered to a branch of the Financial Institution for negotiation and clearing. The Depositor acknowledges and agrees that this role as agent cannot be further delegated by the Depositor. Further, the Depositor acknowledges and agrees that the Depositor shall be personally responsible and liable for:

- i. compliance with this Agreement,
 - ii. maintaining adequate security over any Access Terminal used, the location of use of the Access Terminal, and any passwords so as to prevent use by others or interception of data transmitted,
 - iii. ensuring that all Official Images created and transmitted are of good quality and fully and accurately capture all material details of the Eligible Bill,
 - iv. maintaining adequate safeguards and procedures for the preservation of originals of all Eligible Bills transmitted as Official Images, and
 - v. verifying that deposits expected to be made to the Account reconcile with dates and amounts applicable to transmissions made using the Remote Deposit Service and for providing immediate notice to the Financial Institution of any errors, omissions, irregularities, or concerns about suspicions of fraudulent Instruments or compromise of the security applicable to the use of the Remote Deposit Service;
- b) the Financial Institution may, upon receipt of what reasonably appears to qualify as an Official Image, treat such as an Official Image and, as if it were an original of an Instrument received at a branch of the Financial Institution, subject to the Account Agreement and any policies of the Financial Institution governing Instruments;
- c) the creation of an Official Image will be done using a method authorized by the Financial Institution, in its sole discretion, from time to time. Further, the Depositor agrees to take all proper and necessary precautions to prevent any other person from purporting to create or transmit an Official Image to the credit of the Depositor's Account;
- d) nothing in this Agreement obliges the Financial Institution to accept for deposit any item whether it is or purports to be an Official Image. The Depositor shall not purport to create or transmit an Official Image of any item that does not qualify as an Eligible Bill or any item that is post-dated, stale-dated, received by the Depositor from anyone other than the drawer of that item, or that is in any way altered. If the Depositor has any suspicions or concerns about the authenticity, validity, negotiability, or chain of title to any item purporting to be an Eligible Bill, then the Depositor shall not seek to use the Remote Deposit Service for negotiation or collection of that item, but will instead bring the original of that item to the counter of the branch of Account, identify the specific concerns to the Financial Institution, and fully disclose all material facts known by the Depositor relating to that item and fully cooperate with any inquiry or investigation of the concerns;
- e) under the Remote Deposit Service, Eligible Bills are restricted to those Instruments in Canadian dollars or United States dollars, drawn on a financial institution domiciled in Canada or the United States, as and if applicable, in the sole discretion of the Financial Institution, from time to time. The Depositor shall not seek to use the Remote Deposit Service to deposit any Instrument into an Account different than the currency denominated on the Instrument. Canadian dollar Instruments shall only be deposited to a Canadian dollar Account. United

States dollar Instruments shall only be deposited to a United States dollar Account;

f) Official Images received through the Remote Deposit Service are subject to number and dollar limits that may change from time to time without prior notice to the Depositor;

g) any Transaction made on any day or at any time during which the Financial Institution is not open for business, may be credited to the Account on the next business day of the Financial Institution;

h) once an Official Image of an Eligible Bill has been transmitted to the Financial Institution through the Remote Deposit Service, no further Official Images of that Eligible Bill will be created or transmitted through the Remote Deposit Service (or any other similar service) unless the Depositor is requested to do so by the Financial Institution in writing. Further, the Depositor agrees to make no further use of the original of an imaged Eligible Bill, and shall safely retain possession of the original of the Eligible Bill without further negotiation, transfer, or delivery to any other person or holder. In addition to all obligations and responsibilities either set forth in this Agreement or elsewhere, the Depositor agrees to indemnify and hold the Financial Institution and its service providers and Central 1 and all of their connected parties, including, without limitation, their respective agents, directors, officers, employees, affiliates, and licensees (collectively, the "Indemnified Parties") harmless from and against any and all liabilities and costs, including, without limitation, reasonable legal fees and expenses incurred by the Indemnified Parties in connection with any claim or demand arising out of or connected to the Depositor's use of the Remote Deposit Service or duplicate negotiation of items that were at any time presented as Official Images of Eligible Bills. The Depositor must assist and cooperate as fully as reasonably required by the Indemnified Parties in the defence of any such claim or demand. The disclaimers, liability exclusions, liability limitations, and indemnity provisions in this Agreement survive indefinitely after the termination of this Agreement and apply to the extent permitted by law. Without limiting the foregoing, the Depositor will indemnify and save the Indemnified Parties harmless from and against all liability, costs, loss, expenses, and damages, including direct, indirect, and consequential incurred by the Indemnified Parties as a result of any breach of this Agreement, or any claims arising from or relating to misuse of Official Images or items purporting to be Official Images, or negotiation of Eligible Bills where an Official Image has also been transmitted for collection;

i) on transmission of an Official Image of an Eligible Bill to the Financial Institution, the Depositor is responsible for immediately marking the face of the Eligible Bill with a blatant notation or mark that prevents renegotiation of the Eligible Bill and indicates that the Eligible Bill has been imaged and transmitted, taking care not to obliterate any material particulars of that Eligible Bill. (For example: This can be done by writing "void" or "paid" or placing a diagonal stroke across the face of the item with a pencil, pen, or brightly colored highlighter.) For a period of 120 days after transmission of the Official Image to the Financial Institution, or such shorter period as stipulated by the Financial Institution in writing, the Depositor shall retain and produce to the Financial Institution on written request the original of all imaged Eligible Bills. If the Depositor receives a written request to retain or produce, the Depositor will comply with the written request, and shall, if requested, produce, by delivering to the Financial Institution, the original of all specified Eligible Bills within 5 business days of such request. If

the Depositor fails to comply with the written request made pursuant to this provision, then the Financial Institution can place a hold on or reverse any credit made to the Account in relation to those specified Eligible Bills, even if such creates an overdraft on the Account. If no written request is received within that time, then 120 calendar days after an Official Image has been transmitted to the Financial Institution through the Remote Deposit Service or such shorter period as stipulated by the Financial Institution in writing, and provided that the Depositor has verified a credit to the Account that reconciles to the Official Image transmitted, the Depositor agrees to immediately proceed with destruction of the original of the Eligible Bill. Destruction methods include shredding, pulping, burning, or any other means that ensures that the original Instrument cannot be reused;

j) the Depositor is responsible for any and all costs associated with obtaining a replacement Instrument in the event that the Financial Institution requests that the Depositor re-transmit an Official Image in accordance with h) above, and the original Instrument was destroyed in accordance with i) above or otherwise lost;

k) in the Financial Institution's sole discretion, electronic notices for purposes related to the Remote Deposit Service may be generated and sent to the Depositor at the Notice Contact Information after the Depositor uses the Remote Deposit Service to transmit an Official Image, including to advise the Depositor of the receipt by the Financial Institution of an Official Image. To receive such electronic notices, the Depositor must provide the Notice Contact Information required by the Financial Institution;

l) an electronic notice, if any, sent in connection with the Remote Deposit Service is for information purposes only and is no guarantee that the Official Image will be accepted by the Financial Institution or that the Account will be credited; and

m) the Financial Institution will not be liable for any cost, expense, loss, damage, or inconvenience of any nature or kind whatsoever arising as a result of use of the Remote Deposit Service, including, but not limited to, a delay in processing a Transaction or the Financial Institution requiring the Depositor to obtain another Instrument.

31. ONLINE PAYMENT – If the Financial Institution, through Direct Services, makes the Online Payment Service available and the Depositor uses the Online Payment Service, the Depositor acknowledges and agrees that:

- a) the Online Payment Service is only available in Canadian dollars from Participating Merchants;
- b) Transactions for the Online Payment Service must be initiated by the Depositor through the appropriate online payment option available on the website of a Participating Merchant;
- c) as soon as the Depositor authorizes a Transaction through the Online Payment Service, and provided that there are available funds or credit, the amount of the Transaction will be withdrawn from the Account or a hold will be placed in the amount of the Transaction. The Financial Institution will hold the Transaction amount until the Participating Merchant successfully claims the Transaction or 30 minutes have elapsed, whichever comes first. The Financial Institution has no obligation to and will not pay interest on the Transaction amount. To the extent permitted at law, the Financial Institution is deemed to have a security interest in the Transaction amount from the time the Account is held until the Participating Merchant successfully claims the Transaction or the

hold is removed;

d) Transactions sent and received through the Online Payment Service are subject to number and dollar limits that may change from time to time without prior notice to the Depositor;

e) the Financial Institution will not be responsible or liable for any losses or damages incurred as a result of funds held and/or limits set by the Financial Institution, Acxsys Corporation, a Participating Merchant, or a Participating Financial Institution;

f) the Financial Institution, the Participating Financial Institution, and Central 1 are entitled to pay the Transaction amount to anyone who claims to be the Participating Merchant and provides the payment authorization details within 30 minutes of the Transaction being authorized by the Depositor;

g) the Financial Institution will not be liable for losses or damages incurred as a result of a person other than the intended Participating Merchant receiving the Transaction amount;

h) if the Participating Merchant cancels, declines, or fails to claim a Transaction that the Depositor authorized, the Transaction amount will be reinstated after 30 minutes have elapsed since the Transaction was authorized. However, the Financial Institution cannot guarantee the date or time that the hold on the Transaction amount will be removed;

i) the Financial Institution, Central 1, or Acxsys Corporation may cancel a Transaction once it is authorized but before payment authorization details are sent to the Participating Merchant, if there is reason to believe that a mistake has occurred or that the Transaction is a product of unlawful or fraudulent activity;

j) once payment authorization details have been sent to the Participating Merchant, a Transaction cannot be cancelled. Payment authorization details are sent immediately after a Transaction is authorized by the Depositor;

k) all disputes, including requests for refunds, will be handled directly between the Depositor and the Participating Merchant without the participation of the Financial Institution or any other party. A refund, if any, may be received through Direct Services and Central 1 for credit to the Account, or through such other method the Participating Merchant deems appropriate;

l) the Financial Institution may refuse, in its sole discretion, to provide the Online Payment Service for the Depositor;

m) in the Financial Institution's sole discretion, electronic Notifications for purposes related to the Online Payment Service may be generated and sent to the Depositor at the Notice Contact Information after the Depositor authorizes a Transaction, including to advise the Depositor that the Account has been debited. To receive an electronic Notification, the Depositor must provide the Notice Contact Information required by the Financial Institution;

n) an electronic Notification, if any, sent in connection with the Online Payment Service is for information purposes only and is no guarantee that the Participating Merchant will successfully claim the Transaction or that the Depositor has successfully purchased the product or service from the Participating Merchant; and

o) the Financial Institution will not be liable for any cost, expense, loss, damage, or inconvenience of any nature or kind whatsoever arising as a result of using the Online Payment Services, including, but not limited to, a delay in processing a Transaction or a Participating Merchant failing to claim a Transaction.

32. VIEWING CHEQUE IMAGING – The Financial Institution may, in connection with Direct Services, permit the Depositor to view and print images of Instruments drawn on the Account and such images may be made available before the Financial Institution has determined whether the Instrument will be honoured or accepted. The Depositor acknowledges and agrees that such images are made available by the Financial Institution as a service to the Depositor and the provision of such images does not mean that the Transaction has been processed, nor does it in any way oblige the Financial Institution to honour or accept the Instrument.

33. VIEWING DOCUMENTS – The Financial Institution may, in connection with Direct Services, permit the Depositor to view and print images of documents. The Depositor acknowledges and agrees that such images are made available by the Financial Institution as a service to the Depositor and the provision of such images does not in any way oblige the Financial Institution to permit the Depositor to view and print images of documents.

34. MODIFICATION OF AGREEMENT – The Financial Institution may, in its sole discretion, amend the terms and conditions of this Agreement as it relates to the Depositor's future use of Direct Services from time to time, for any reason, without any liability to the Depositor or any other person. The Financial Institution may provide notice of a change to this Agreement by mailing notice to the Depositor's last known address, by posting notice at the Financial Institution's premises, by personal delivery, or by any other means the Financial Institution, acting reasonably, considers appropriate to bring the modification to the attention of the Depositor. The Depositor is responsible for regularly reviewing the terms and conditions of this Agreement. The Depositor must not change, supplement, or amend this Agreement by any means.

35. OTHER AGREEMENTS – In addition to this Agreement, the terms and conditions of the Account Agreement between the Depositor and the Financial Institution will apply to Direct Services and to Transactions made under this Agreement, except as expressly provided otherwise in this Agreement. If there is a conflict between the terms and conditions of the Account Agreement or any other agreements between the Depositor and the Financial Institution and the terms and conditions of this Agreement, then the terms and conditions of this Agreement will apply in respect of Direct Services. There are no representations or warranties made by the Financial Institution to the Depositor concerning Direct Services except for the representations, warranties, and obligations of the Financial Institution as expressly set out in this Agreement. Any advice, information, or statements provided by the Financial Institution, Central 1, or their service providers, agents, or their representatives, whether oral or written, will not create any representation, warranty, or condition or vary or amend this Agreement, including the above liability exclusions, liability limitations, release and indemnity provisions, and the Depositor may not rely upon any such advice or information.

36. NOTICES – Any notice required or permitted to be given to the Financial Institution in connection with this Agreement must be in writing and must be addressed and delivered to the Financial Institution at the address or fax number set forth on the Account Agreement. - b) such invalidity or unenforceability will not affect any other provision of this Agreement.

43. NO WAIVER – No waiver by the Financial Institution of any breach of or default under this Agreement shall be deemed to be a waiver of any preceding or subsequent breach or default. The Financial Institution does not offer Direct Services for Personal Accounts other than in accordance with these terms and conditions.
