Other Account Options

Looking for other account options? We have a range of competitive packages to fit your financial needs.

Are you a new Canadian with a small business? We also offer mentoring through Immigrant Services Association of Nova Scotia (ISANS) and small business financing through the Nova Scotia Co-operative Council.

Peace by Chocolate is a chocolate company located in Antigonish, Nova Scotia, founded by the Hadhad family of Damascus, Syria. After coming to Canada as refugees in 2016, the Hadhads rebuilt their successful chocolate business and now focuses on spreading peace and sweets throughout Canada and the world!

"East Coast Credit Union has believed in us from the beginning and truly wanted to help. They saw our vision and potential-the only obstacle was financial support, but the Credit Union saw our potential and supported us."

– Tareq Hadhad, CEO and Founder.

What makes us different?

East Coast Credit Union is a full service, cooperative financial institution helping individual and business members achieve financial success. Our professional employees provide the open and honest transparency you need to manage your finances.
