Business Accounts

Business Accounts

We offer a cost effective way to do Business Banking:

- Straightforward, easy to understand packages
- Professional, personal service
- Dedicated Business Service Centres
- Local decision making

These are some of the great reasons why more and more business owners are banking with their local credit union.

East Coast Credit Union provides a competitive range of business services tailored to meet your financial needs and to help you achieve financial success! We have four conveniently located Business Service Centres. We offer all the competitive products and services you need and our experienced staff will provide you with the professional advice you need.

Our current account services provide many advantages and a full range of products whether you are a small business, mid-sized business, a large corporation or a local community non-profit organization.

YOUR Business Account Package Options

Every business has unique banking needs. With our full range of account options, we're sure you'll find one that's right for you. All our packages provide several options, such as:

- Small Business Online Banking
- Online Banking Mobile Alerts
- Business Credit Card
- Membercard®
- Access to Merchant Mastercard® system
- Overdraft protection based on approved credit
- FREE online banking e-statements
- You can say goodbye to annual fees with FREE Night Deposit Services

Non-Profit Accounts

We understand the value your non-profit organization provides to our communities. If you are a non-profit organization that requires the features and benefits of a Business account, but need to keep costs low - look no further. Non-Profit organizations can choose the YOUR Business 25 package for FREE or if you have higher volumes you may receive a discount of \$20.00, monthly on other YOUR Business packages.
